The petitioners approached this Court challenging Ext.P2 by which the respondents proposed to disconnect the water supply to the premises in question. This Court had granted an interim order staying the disconnection. In the affidavit filed by respondents 1 and 2 it has been pointed out that the petitioners can seek for regularisation of the water connection by submitting appropriate application. In view of the above averment Ext.P2 is quashed.

2. Without prejudice to the right of the petitioners to seek regularisation of the water connection, this Original Petition is closed. No costs.

T.R.RAMACHANDRAN NAIR, JUDGE.
